

Cincinnati Geotechnical Group - November 2021**Announcements****Chairman's Message**

Members,

We had a very successful ORVSS a couple of weeks ago. When we started planning ORVSS at the beginning of the year, weren't sure what kind of attendance we would get. The response was tremendous. We had more participants this year (over 220) than any previous ORVSS held in Cincinnati. Thanks to everyone who attended or participated in the event. Also, thank you to the Planning Committee who put in a lot of work behind the scenes to make the event a success.

As we move into the holiday season, the Officers would like to invite everyone to our annual (well except for last year) Hofbräuhaus Luncheon which will be held on Friday, December 10 from 11:30am until about 2pm. Lunch and some complimentary drinks will be provided. We will be collecting \$20 per person to help offset the cost. As always, we will be raffling off prizes as well. We ask that every company bring at least one item to donate to the raffle. Please RSVP using the link in this newsletter. You can either pay in advance using the link or bring cash or a check the day of the event.

Lastly, if you are interested in presenting at one of our meetings in 2022, please reach out to one of the Officers

*-Russ Gatermann, P.E.
Chairman – Cincy Geotech Group*
