

**Cincinnati Geotechnical Group - April 2022****Announcements****Chairman's Message**

All – We are excited to be able to host our annual Steak Fry after a two-year hiatus. The Steak Fry will be at our usual location, Sharon Woods Lakeside Lodge, on Tuesday, May 10. As always, we'll be relying on volunteers to provide sides, snacks, desserts, plates, utensils, charcoal, and lighter fluid. Please send a note to the officers if you or your company are interested in donating any items.

We are also taking nominations for a new secretary. If you would like to nominate someone, please reach out to the officers.

This will be our last gathering before resuming meetings again in the fall. I'd like to thank those who have presented this year. If you have any recommendations for events or topics for the group for next year, or have thoughts on how we can improve the group, please let us know. As this is my last meeting on the committee, I'd like to thank everyone who helped support our group over the past few unusual years. Next year we will welcome David Mueller as Chair and Rebecca Scherzinger as Vice Chair.
