

**Cincinnati Geotechnical Group - October 2022****Announcements****Chairman's Message**

Members,

We are pleased to have Dan Brown, Ph.D., P.E., D.GE. present at our October meeting. He will be presenting on risk management in foundation construction. The meeting will be held in room 405 at UC's Mantei Center. Please see the website ([cincygeotech.org](http://cincygeotech.org)) for more information and to RSVP.

Please see the calendar below for upcoming events/presentations. We are looking for a volunteer to present at our November meeting. Please reach out to any of the officers if you're interested in presenting.

We are also resuming work on our website. Please send any project photos from the Cincinnati area that you'd like featured on our website. Additionally, we are looking for at least one volunteer to help with website maintenance and updates. Please let any of the officers know if you're interested.

ORVSS 52 will be held on November 2<sup>nd</sup>, 2022 in Lexington. For more information and to RVSP, please use the following address: <https://kgeg.org/orvss/>
