

Cincinnati Geotechnical Group - November 2022

Announcements

Chairman's Message

Members,

We will not have a meeting this month as we were unable to find a presenter. Our next meeting will be at our annual holiday luncheon at Hofbrauhaus on December 16th. A link to RSVP will be on the website soon.

Additionally, we have a speaker scheduled for our January 10th meeting. Sebastian Lobo-Guerrero Ph.D., P.E., D.GE will present on slope stabilization with deep foundation elements. Please reach out to any of the officers if you'd like to present at our February meeting.
