

**Cincinnati Geotechnical Group - December 2022****Announcements****Chairman's Message**

Members,

The Holiday Season is upon us. I hope everyone had a great Thanksgiving with family and friends.

I would like to invite everyone to our annual Holiday Luncheon at Hofbrauhaus Newport on Friday, December 16th from 11:30 am until around 2:00 pm. Please RSVP by Monday, December 12th so we can get an accurate headcount for the venue. We will be collecting \$20/person as we have the previous years to help cover some of the food and refreshment costs. Please RSVP using the link below; you can either pay with credit card using the link below or bring cash/check the day of the event.

Also, we will be raffling off door prizes again. We ask that every company bring at least one item to donate to the raffle. We usually have some great prizes, so let's keep it up!

Additionally, we have a speaker scheduled for our January 10<sup>th</sup> meeting. Sebastian Lobo-Guerrero Ph.D., P.E., D.GE will present on slope stabilization with deep foundation elements. Please reach out to any of the officers if you'd like to present at our February meeting.

Merry Christmas and Happy Holidays!
