

Cincinnati Geotechnical Group - January 2023**Announcements****Chairman's Message**

Members,

Happy New Year! I hope everyone had a fun and restful holiday season with family and friends.

Our January presenter is Sebastian Lobo-Guerrero Ph.D., P.E., D.GE., a geotechnical project manager/laboratory manager for AGES, Inc. He is presenting on achieving Landslide Stabilization with Deep Foundations. Dr. Lobo-Guerrero has authored over 100 technical papers/presentations, and we are very excited for him to present at our January meeting.

Additionally, we have a speaker scheduled for our Feb 14th Meeting. Taylor Taluskie (Project Engineer at Terracon Consultants) will present about 'Ducktown Basin & Site Restoration Project'.

We are looking for volunteers to present at our monthly meetings. If you are interested or know anyone who might be, please contact one of the officers.

*-David Mueller, P.E.
Chairman – Cincy Geotech Group*

Upcoming Event**Landslide Stabilization with Deep Foundations****by****Sebastian Lobo-Guerrero, Ph.D., P.E.,
D.GE**

Sebastian is a geotechnical project manager/laboratory manager at AGES Inc. Pittsburgh, PA. He is also an adjunct lecturer at University of Pittsburgh. He has over 21 years of experience in Geotechnical Engineering, specializing in the design of deep/shallow foundation, earth retaining structures, landslide stabilization, etc.
