

Cincinnati Geotechnical Group - November 2023**Announcements****Chair's Message**

Members,

I hope everyone was able to attend Dr. Gomez's presentation last month on "Do's and Don'ts in Lateral Stabilization of Soils Using Deep Foundation Elements". We do not have a November meeting planned as many of you will be at ORVSS in Louisville next week. Hopefully everyone was able to sign-up before the registration closed. Our 2024 ORVSS Planning Committee is working hard and more information will be sent in the next few months.

Next month is our annual Hofbräuhaus Luncheon which will be Friday, December 15th from 11:30am-2pm. Lunch and some complimentary drinks will be provided. We will be collecting \$20 per person to help offset the cost. As always, we will have raffle prizes and ask that every company bring at least one item to donate to the raffle. RSVP information will be sent out with the December newsletter.

*Rebecca E. Scherzinger, P.E.
Chair – Cincy Geotechnical Group*
