Chair's Message

Members,

Last month, a few of our members attended a tour of the Triple Steam engines at GCWW. If you missed this, I'd recommend attending the Saturday tours, details on their website.

For this month's meeting, Rob Hans is presenting on the Roebling Bridge which will be hosted at Scherzinger Drilling. Please note we have rescheduled this meeting for Tuesday, April 16th to avoid conflicting with the General ASCE Section awards ceremony.

We are accepting secretary nominations for 2024-2025, reach out to any of the officers for more information.
