

Cincinnati Geotechnical Group - May 2024**Announcements****Chair's Message**

Members,

We had a good turn out last month for Rob Hans who presented on the Roebling Bridge at Scherzinger Drilling.

Our annual Steak Fry Event will be Tuesday, May 14th at Goettle's Training Center (12011 Hamilton Ave). Parking is limited at the Training Center; additional parking at the main Goettle office. See the attached map for details. We will be relying on volunteers to provide sides, snacks, desserts, plates, utensils, charcoal, and lighter fluid. Please send a note to our officers if you or your company are interested in donating any items.

Voting for the 2024-2025 Secretary will be done during the Steak Fry. If you would like to nominate yourself or someone else, please reach out to our officers.

We had a great year, thank you to all of the individuals who presented and the various companies who hosted. We connected with two organizations who we've supported for many years— Triple Steam and CCSBC.
